

APPENDIX III  
SOUTHEASTERN  
ECONOMIC  
DEVELOPMENT  
CORPORATION

---

# **Southeastern Economic Development Corporation**

## **PROGRAM OBJECTIVES**

1. Increase the supply and variety of housing that is available for all who are interested in living in southeastern San Diego;
2. Increase the amount of adequate retail facilities offering quality merchandise;
3. Accommodate new and relocated industries that enhance the community and provide employment opportunities for southeastern San Diego residents;
4. Contribute to the construction and/or replacement of public infrastructure through the actual construction of and/or funding of necessary improvements;
5. Support local entrepreneurs by providing programs to enhance the knowledge and skills of existing and future business owners; and
6. Eliminate blighting influences including but not limited to incompatible land uses, obsolete and substandard structures and under-utilized land.

## **AGENCY DESCRIPTION**

The Southeastern Economic Development Corporation (SEDC) is an independent corporation in charge of all redevelopment activities within a 7.2 square mile area adjacent to downtown San Diego. Established in 1981 by the City of San Diego City Council, SEDC's sphere of influence includes 15 neighborhoods and four adopted redevelopment project areas – Central Imperial, Gateway Center West, Mount Hope and Southcrest and the Dells/Imperial Study Area.

SEDC has a nine member Board of Directors appointed by the City Council and a professional staff of 13 employees.

## **SERVICE EFFORTS AND ACCOMPLISHMENTS**

SEDC has successfully planned and developed the southeastern community. The development activities have been as diverse as the project areas. A summary of recent accomplishments includes the following:

### *Central Imperial*

- The development of two modern shopping venues the (300,000 sq. ft.) Imperial Marketplace anchored by Home Depot and the 150,000 sq. ft. Market Creek Plaza anchored by Food-4-Less. It should be noted that the balance of the property in and around Market Creek Plaza has been designed as one of the City's Pilot Villages and will be developed with residential, industrial and retail developments.
- Development of new single-family for-sale housing.

# **Southeastern Economic Development Corporation**

- Valencia Business Park, home to the new 25,000 sq. ft. Encanto Post Office with an additional 65,000 sq. ft. planned.
- Rehabilitation of a 42,000 sq. ft. light-industrial building. The new location for AMSEC (a subsidiary of SAIC).

## *Mount Hope*

- This predominately single-family residential area is home to the 66-acre Gateway Center East Business Park. More than 1,400 jobs (27% are southeastern employees) are located here and includes a retail component anchored by Costco.
- Installation of street trees throughout the community.
- A residential rehabilitation program for area residents.
- Public Improvements have been installed providing sidewalk, curb, gutter, driveways, alley paving and street lights.
- Relocation of the San Diego Urban League corporate offices into the Gateway Center East Business Park.

## *Gateway Center West*

- A business park that includes businesses, such as ICE, Cintas Corporation, Padre Janitorial and an 18-acre site owned by the San Diego Gas & Electric (SDG&E). Under the current Owner Participation Agreement between SEDC and SDG&E, there will be an additional 30,000 sq. ft. office built and a major reorganization of the exterior yard. The future development strategy includes acquisition and assembly of additional parcels that will accommodate industrial users.

## *Southcrest*

- The initial development strategy required the rebuilding of a 68-acre swath of land originally acquired by CALTRANS for a freeway connection known as the 252 Corridor. The removal of over 100 homes resulted in a blighted vacant under-utilized parcel that was of major concern to the Southcrest Neighborhood. Today the blight has been replaced with 99 homes, the Cesar Chavez Elementary School, a nine acre park and a shopping area anchored by Albertsons (the first major grocery store to return to the southeastern community in over 25 years). In 2005, SEDC broke ground on 110 condominiums which will be completed in 2006.

## **Economic Development Activities**

The Economic Development activities undertaken by SEDC compliment the development activities that have occurred throughout the SEDC area of influence. The economic activities include technical assistance, a Revolving Loan Fund Program, a commercial rehabilitation program and first-time homebuyer workshops.

# **Southeastern Economic Development Corporation**

The overall public investment of approximately \$100 million has resulted in significant changes in the southeastern community.

## **Future Outlook**

The FY 05/06 fiscal year will have both opportunities and challenges. The opportunity for SEDC to actively participate in the production of truly affordable housing comes with the challenge of convincing the community of the benefits of well planned density. The opportunity to bring additional services to the community comes with the challenge of identifying sites with the least amount of disruption to residents and businesses. The strategy of utilizing passed over sites is one that as we are more successful must be modified due strictly to diminished inventory.

The opportunity to continue to attract quality developers comes with the challenge of identifying incentives and timely processing.

SEDC has established a track record that confirms our ability to maximize resources for the betterment of the entire community.

FY 2006 Low and Moderate  
Income Housing Activities  
(In Thousands)

**Central Imperial** **\$611**

Tax increment funds will be set-aside for the purpose of creating and rehabilitating low and moderate income housing. Funding of the home-buyer assistance and housing rehabilitation programs will continue. In addition, the low/moderate housing developments located in the Central Imperial Redevelopment Project Area are eligible for funds made available through the Agency's Notice of Funding Availability (NOFA) Collaboration. The following are housing projects funded in FY05-06: Lincoln Park Paseo, Hilltop and Euclid, Market Creek and Mar Vista Mixed Use.

**Gateway Center West** **\$286**

Tax increment funds are set aside to create home ownership, rental and/or rehabilitation opportunities for low and moderate income residents.

**Mount Hope** **\$630**

Tax increment funds are set aside for the purpose of creating and rehabilitating low and moderate income housing. As of June 30, 2000, the Redevelopment Agency/SEDC has committed approximately \$2.2 million of the 20% housing set-aside along with funds from the 1995 tax allocation bond to low and moderate housing activities. In FY04-05, included in the continuing appropriation, \$435,000 of the set-aside funds were used for street improvements for Phase II of the Southcrest Park Estates (62 for-sale units).

**Southcrest** **\$770**

Tax increment funds are set aside for the purpose of creating or rehabilitating low and moderate income housing. In the fourth quarter of FY04-05, construction of the 62 for sale homes was completed.

**CENTRAL IMPERIAL FUND 98770**

**DESCRIPTION/ACTIVITIES:** Central Imperial Redevelopment Project Area – the project area is approximately 580 acres. The programs and projects of this redevelopment plan are designed to provide limited public assistance to convert unproductive land to viable urban uses, serve many of the unmet commercial and retail needs of the community, rehabilitate, construct and preserve low and moderate income housing stock and create various employment opportunities.

The Central Imperial Project Area has been the location of numerous public/private partnerships resulting in the creation of new services in the area. In FY 02-03 the public improvements for the 30-acre retail center known as Imperial Marketplace were completed. The center, anchored by Home Depot, continues to be leased by national tenants. In FY 03-04, the office component to the center added approximately 60,000 sq. ft. of office space to the area. The opportunity remains for an additional 50,000 sq. ft. Market Creek Plaza was originally conceived as a 19-acre retail center. The development is anchored by Food-4-Less and includes several small businesses. In FY 03-04 the City of San Diego designated the balance of the site as one of the City's Pilot Urban Villages. This designation changes the retail use to one that includes a mixed-use concept.

Light industrial opportunities are available in the Valencia Business Park as well as a two-acre site located on Market Street at 54<sup>th</sup> Street. The Agency completed the necessary public improvements for Valencia Business Park in FY 02-03. The vertical construction of the Encanto Post Office began in June 2004 and was completed in November 2004 and the opportunity for approximately 65,000 square feet of space remains for light industrial uses.

Due to the numerous developments planned for the Central Imperial Redevelopment Project Area and in order to implement the Imperial Avenue Corridor Master Plan, along 47<sup>th</sup> and Imperial Avenue and 61<sup>st</sup> through 69<sup>th</sup> Streets, the Central Imperial Redevelopment Plan will be amended during FY 05-06 and will include a programmatic Environmental Impact Report contemplating new housing and mixed-use developments.

In FY 04-05, \$1,094,003 of CDBG funds was re-loaned from the Mount Hope and Southcrest Redevelopment Project Areas to augment the Central Imperial Redevelopment projects (\$255,000 is appropriated for Fund No. 98770).

In FY 05-06, \$600,000 of developer proceeds will be re-loaned from the Southcrest Redevelopment Project Area to augment the Central Imperial Redevelopment project (Fund No. 98770).

**CENTRAL IMEPRIAL FUND 98780 (CIP 52-677.0)**

**DESCRIPTION/ACTIVITIES:** Imperial Marketplace (formerly known as North Creek) – Located south of Imperial Avenue generally between 40<sup>th</sup> and 45<sup>th</sup> Streets, this 30-acre site is the location of an approximately 300,000 square foot retail center anchored by Home Depot. The site was added to the Central Imperial Redevelopment Project Area as a part of the Second Amendment to the Redevelopment Plan. A Disposition and Development Agreement was approved in FY 98-99 and construction started in the third quarter of FY 99-00. On March 30, 1999, Resolution No. R-291447 was adopted by the Council of the City of San Diego amending the FY 99 CIP budget to add CIP 52-677.0, Imperial Avenue/Ocean View Boulevard Street Improvements. The expenditures in the amount not to exceed \$300,000 in FY 98-99 (TransNet Funds), \$2,123,963 in FY 99-00 (TransNet Funds) and \$1,576,037 in SANDAG issued commercial paper backed by TransNet Funds were approved.

In FY 01-02 the Agency received \$2,629,939 in developer contributions for the development of on-site improvements. There was \$4,000,000 of TransNet funds budgeted for all off-site improvements. The Agency appropriated \$1,000,000 of bond proceeds. The total expenditure for street improvements (CIP 52-677.0) is \$9.9 million as of March 2005.

In FY 02-03 a reloan of \$678,082 was included from the FY 01-02 tax allocation bond issuance to augment the street improvements.

In the FY 04-05, Fund No. 98780 included a \$140,000 reloan from the Mount Hope Redevelopment Project Area to augment this project. Approval of the public improvements and bond release by the City of San Diego is scheduled to take place during the fourth quarter of FY 04-05.

**CENTRAL IMPERIAL FUNDS 98779/987702/87705**

**DESCRIPTION/ACTIVITIES:** The Valencia Business Park (formerly known as Potter Tract) – This project is located within the Central Imperial Redevelopment Project Area. It consists of 14.7 gross acres and is bound by the San Diego Trolley line to the north, 54<sup>th</sup> Street to the west and Imperial Avenue to the south. The site is currently zoned light industrial (I-1). The construction of public improvements for the site began in FY 01-02 and was completed in FY 03-04. A major portion of the site was located within the 100-year flood plain and has been elevated as a result of the Agency's public improvements. In FY 02-03, a reloan from the Mt. Hope Project Area combined with FY 01-02 tax allocation bond proceeds were utilized to complete the necessary improvements.

In FY 03-04, construction began on the Encanto Post Office, a 25,000 square foot facility that will service the 92114 zip code. Construction of the post office was completed in the second quarter of FY 04-05. Approximately 65,000 square feet of light industrial space is planned on the balance of the site.

Included in FY 04-05, was \$699,003 of loan repayment from the Southcrest Redevelopment Project Area to augment this project.

**DESCRIPTION/ACTIVITIES:** Las Chollas Creek – This project includes that portion of Las Chollas Creek (Creek) that lies generally south of Imperial Avenue, west of 45<sup>th</sup> Street and north of Ocean View Boulevard across the street from the Educational Cultural Complex, adjacent to the Imperial Marketplace property. The Creek and the land surrounding it are dedicated open space. This project mitigated the flood plain and developed an area adjacent to the Creek into a passive trail that provides for the community an improved open space. The development at the Creek is a model for improvements that have been identified in the Las Chollas Creek Enhancement Plan. In addition, there are eight homes that have benefited from the Agency's work up-stream. The eight homeowners are no longer required to carry flood insurance because the area was elevated out of the 100-year flood plain, and since the acceptance and receipt of the Letter of Map Revision (LOMR) from the Federal Emergency Management Agency (FEMA) on August 2004.

**DESCRIPTION/ACTIVITIES:** Market Creek Plaza – In FY 01-02, the Redevelopment Agency approved an Owner Participation Agreement (OPA) with the Jacobs Center for NonProfit Innovation (Developer). The project is located on the property formerly known as the Langley site, which is on Euclid Avenue, south of Market Street and is divided by Las Chollas Creek. It is one of the seventeen properties removed as part of the First Amendment to the Central Imperial Redevelopment Plan in 1995. In FY 00-01 SEDC amended the Central Imperial Redevelopment Plan to expand the project area to include this site.

The Developer is currently completing the eastern portion of the center consisting of approximately 142,000 square feet, which is anchored by the Food-4-Less Supermarket. A food court for local entrepreneurs as well as general commercial and specialty shops has been created by this development. The western portion of the site is planned for development as part of the Village Center at Euclid and Market and has been designated as one of the City of San Diego's Pilot Village demonstration projects. The Pilot Village concept reduces the amount of retail and increases the amount of housing in and around the Euclid Avenue and Market Street corridors.

**DESCRIPTION/ACTIVITIES:** Hilltop and Euclid Housing – In FY 03-04, the SEDC Board of Directors approved an Exclusive Negotiating Agreement (ENA) with Barone Galasso & Associates for the development of approximately 170 residential units for the property located on Euclid Avenue, north of Hilltop Drive, in the Chollas View Neighborhood, within the Central Imperial Redevelopment Project Area (Site). The largely vacant 9.43 acre site is zoned for single-family residential development (SF 5000) in the adopted Southeast San Diego Community Plan and the Central Imperial Redevelopment Plan.

The Developer is proposing to develop the Site with 120 affordable multi-family rental units and 50 market rate single-family, for-sale attached units. The ENA negotiated with the Developer included a provision that required the Developer to assign his/her rights, title and interest in the Site to the Agency. In the first quarter of FY 04-05, the City Council and Agency approved the use of up to \$4 million dollars from the Agency's Notice of Funding Availability (NOFA) fund for the acquisition of the Site for the purpose of developing affordable housing. SEDC on behalf of the Agency has acquired the parcels assigned by the Developer and is in the process of purchasing the remaining parcels. During FY 05-06, acquisition of the Site, relocation of the existing tenants and demolition of the existing nine homes will be completed. The Agency will also enter into a Disposition and Development Agreement with the Developer to build the new housing.

**DESCRIPTION/ACTIVITIES:** Mar Vista Mixed Use – In FY 03-04, Tyler-Smith Communities (Developer), in conjunction with the M.W. Steele Group, Inc., proposed to develop a mixed use project for the vacant 7.08 acre site located at 47<sup>th</sup> and Market Streets (Site). The Site is currently zoned light industrial (I-1) and requires a rezone to provide for mixed-use (CC-5-4). The new zone would allow for a mixture of residential, commercial and light industrial uses on the site.

The proposed development also requires an amendment to the Central Imperial Redevelopment Plan to reflect the amended Community Plan and zone change from I-1 to CC-5-4 (Commercial – Community).

The residential component of this project would produce approximately 135 large family, for-sale condominiums that would be built upon 5,000 sq. ft. of restaurant, 18,000 sq. ft. of commercial and 43,000 sq. ft. of light industrial space. Ten percent of the units will be restricted to low/moderate incomes.

The proposed project requires the Developer to enter into an Owner Participation Agreement with the Agency.

**CENTRAL IMPERIAL SPECIAL DEBT SERVICE FUND 98782**

**DESCRIPTION/ACTIVITIES:** Special Debt Service – On August 15, 1995, the Agency purchased the property located at 49<sup>th</sup> and Imperial Avenue. A Loan Agreement in the amount of \$960,502 was signed and it is payable no later than June 30, 2026. On June 27, 1997, a Memorandum of Understanding (MOU) was executed between the City of San Diego (City) and the Redevelopment Agency canceling the loan agreement dated August 15, 1995. In exchange for canceling the Agency debt, the Agency agreed to convey approximately 9-acres of Agency owned property to the City of San Diego for the development of a park in the Southcrest Redevelopment Project Area (252 Corridor) and provide up to \$554,000 for a portion of the park construction.

In FY 02-03, the site was conveyed to the City along with \$500,000. The park planning begun in FY 03-04. In FY 04-05, construction for the park began and is scheduled for completion in FY 05-06.

**GATEWAY CENTER WEST FUND 98350**

**DESCRIPTION/ACTIVITIES:** Gateway Center West Redevelopment Project Area – SEDC's Gateway Center West Redevelopment Project Area was originally known as the Dells Redevelopment Project Area when it was adopted in 1976. The project area encompasses approximately 59-acres in an area designated for industrial use. It is bound on the west by 32<sup>nd</sup> Street, by Highway 15 to the east, to the south by Market Street and to the north by Martin Luther King, Jr. Freeway (Highway 94).

Beginning in December of 1984 and as recently as 2002 with the completion of the construction of the Padre Janitorial building, seven businesses have been built on Agency-owned property. The new industrial development commenced in December 1984 on Agency-owned property. The Redevelopment Agency/SEDC will continue to acquire additional property in an effort to assemble sites large enough to attract additional employment generating businesses.

**DESCRIPTION/ACTIVITIES:** The Mount Hope Redevelopment Project Area – The Mount Hope Redevelopment Project was adopted in 1982 and consists of approximately 210 gross acres. The project area is located to the north and south of Market Street between Interstate 805 (I-805) and Interstate 15 (I-15). Located within the redevelopment project area is the 66-acre Gateway Center East business park which is bound by I-15, Martin Luther King, Jr. Freeway, Boundary and Market Streets. Gateway Center East is home to approximately 1,200 employees and 33 businesses including Wallace Commercial Press, Costco and Figi & Market & Company.

In FY 01-02, tax allocation bonds were secured by the Redevelopment Agency/SEDC to provide additional public improvements in the project area and provide for additional property acquisition along the Market Street Corridor. In addition, Section 108 financing has been approved by HUD for additional public improvements that will be installed in FY 05-06.

**SOUTHCREST FUND 98330**

**DESCRIPTION/ACTIVITIES:** The Southcrest Redevelopment Project Area – The Southcrest Project Area was adopted in 1986. The project area consists of approximately 301 acres. The area is bound on the west by Highway 15 and Interstate 5, 44<sup>th</sup> Street to the east, south by Gamma Street and Vesta Streets and to the north by Logan Avenue. The primary focus of the redevelopment plan is the redevelopment of the 252 Corridor (66 acres) located in the rescinded freeway corridor located between Interstates 5 and 805.

As a result of redevelopment, the corridor now includes Southcrest Park Plaza, Phase I of Southcrest Park Estates (33 homes), the Cesar Chavez Elementary School and a neighborhood park. Construction of Southcrest Park Estates Phase II (62 homes), began in the fourth quarter of FY 03-04 and was completed in FY 04-05. The City of San Diego began the community park design in FY 03-04, construction began in FY 04-05 and the park is scheduled to be opened in FY 05-06.

**SOUTHCREST FUND 98335**

**DESCRIPTION/ACTIVITIES:** Community Park – The Redevelopment Agency/SEDC has provided a 8.5 acre site to be developed as a community park within the 252 Corridor. The community worked with the City of San Diego (City) to create the park design. The site was conveyed to the City in the third quarter of FY 02-03. The funding for this project is included in the continuing appropriations (CDBG reloan in the amount of \$554,000).

In FY 03, \$445,000 of CDBG was reprogrammed and transferred to Fund 98330/97171. A reloan of \$500,000 from the FY 02 tax allocation bond issuance (Mount Hope Project Area) was included in FY 02-03. SEDC transferred the \$500,000 to the City to assist with the design/construction of the park. This fund will be closed in FY 05-06.
